

Welcome to the Congress,
“SAFE SETTINGS”,
Horatio European Congress 10-12th May 2018 in the Faroe Islands

Dear Safe Settings participants,

We are very much looking forward to welcoming you in Torshavn, Faroe Islands, at the next Horatio Congress on “Safe Settings” from 10-12 May, 2018.

We have been receiving abstracts from many corners of the world, and we look forward to discussing these topics with you.

With regard to the logistics, we have been informed by the GreenGate agency that the hotel deadlines are firm. We do recommend participants who wish to attend to book rooms no later than 15 March to ensure availability at the best price. So please register as soon as possible on <http://www.greengate.fo/en/conferences-incentives/upcoming/safe-settings-10-12-may-2018/>

The final program will be ready next week.

We'll have several workshops, symposium, concurrent sessions and posters along with our nine keynotes, so there will be plenty for us to discuss and share in scientific interchange with each other.

There will also be time to explore the Faroese culture and admire the awesome environment.

Please let us know if you have any questions.

We look forward to seeing you soon!
